

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **People v Mitko Todorov**  
Docket No. **257158**  
L.C. No. **03-005356-01**

Michael J. Talbot, Judge, acting under MCR 7.211(E)(2), orders:

The prosecution's confession of error under MCR 7.211(C)(7) is REJECTED. The Court is not convinced that the confessed error, if indeed an error, may not be considered harmless error under MCL 769.26 and MCR 2.613(A). Therefore, in the Court's opinion, the matter is not appropriately decided pursuant to MCR 7.211(C)(7). The matter shall be submitted to a panel of judges according to the ordinary processes of the Court.
